LO: To compare their performances with previous ones and demonstrate improvement to achieve their personal best.</p> <p><u>Invasion Games</u> Tag Rugby</p>	<p><u>5.1 We are Game Developers</u> LO: To create original artwork and sound for a game. LO: To design and create a computer program for a computer game, which uses sequence, selection, repetition and variables. LO: To detect and correct errors in their computer game use iterative development techniques (making and testing a series of small changes) to improve their game.</p>
W3	<p>LO: To describe the movement of the Earth, and other planets, relative to the Sun in the solar system</p>	<p>LO: Locate the world's countries, using maps to focus on Europe (including the location of Russia) and North and South America, concentrating on their environmental regions, key physical and human characteristics, countries and major cities.</p>	<p>LO: To compare ideas, approaches and methods in the work of a variety of artists</p>	<p>LO: To use a developing religious vocabulary, including ideas such as guidance, comfort, strength or inspiration to show their understanding of the impact belief in the Bible can have on Christian people. LO: To describe some different ideas about the meanings of Bible stories. LO: To raise and suggest answers to, questions about the Bible and its place and use in Christian communities.</p>	<p><u>Gymnastics</u> LO: To develop flexibility, strength, technique, control and balance. LO: To compare their performances with previous ones and demonstrate improvement to achieve their personal best.</p> <p><u>Invasion Games</u> Tag Rugby</p>	<p>LO: To create original artwork and sound for a game. LO: To design and create a computer program for a computer game, which uses sequence, selection, repetition and variables. LO: To detect and correct errors in their computer game use iterative development techniques (making and testing a series of small changes) to improve their game.</p>

W4	LO: To describe the movement of the Earth, and other planets, relative to the Sun in the solar system	LO: Understand geographical similarities and differences through the study of human and physical geography in a region of the United Kingdom, a region in a European country and a region within North or South America. LO: Describe and understand key aspects of physical geography including climate zones, biomes and vegetation belts, rivers, mountains, volcanoes and earthquakes.	LO: To look how artists use perspective and investigate ways of recreating images accurately	LO: To use a developing religious vocabulary, including ideas such as guidance, comfort, strength or inspiration to show their understanding of the impact belief in the Bible can have on Christian people. LO: To describe some different ideas about the meanings of Bible stories. LO: To raise and suggest answers to, questions about the Bible and its place and use in Christian communities.	<u>Gymnastics</u> LO: To develop flexibility, strength, technique, control and balance. LO: To compare their performances with previous ones and demonstrate improvement to achieve their personal best.  <u>Invasion Games</u> Tag Rugby	LO: To create original artwork and sound for a game. LO: To design and create a computer program for a computer game, which uses sequence, selection, repetition and variables. LO: To detect and correct errors in their computer game use iterative development techniques (making and testing a series of small changes) to improve their game.
W5	LO: To describe the movement of the Moon relative to the Earth	LO: Understand geographical similarities and differences through the study of human and physical geography in a region of the United Kingdom, a region in a European country and a region within North or South America. LO: Describe and understand key aspects of physical geography including climate zones, biomes and vegetation belts, rivers, mountains, volcanoes and earthquakes.	LO: To be able to use ideas gathered to inform a piece of artwork	LO: To use a developing religious vocabulary, including ideas such as guidance, comfort, strength or inspiration to show their understanding of the impact belief in the Bible can have on Christian people. LO: To describe some different ideas about the meanings of Bible stories. LO: To raise and suggest answers to, questions about the Bible and its place and use in Christian communities.	<u>Gymnastics</u> LO: To develop flexibility, strength, technique, control and balance. LO: To compare their performances with previous ones and demonstrate improvement to achieve their personal best.  <u>Invasion Games</u> Tag Rugby	LO: To create original artwork and sound for a game. LO: To design and create a computer program for a computer game, which uses sequence, selection, repetition and variables. LO: To detect and correct errors in their computer game use iterative development techniques (making and testing a series of small changes) to improve their game.
W6	LO: To describe the Sun, Earth and Moon as approximately spherical bodies	LO: To describe and understand human geography including types of settlement and land use, economic activity including trade links, and the distribution of natural resources including energy, food, minerals and water.	LO: To be able to create a piece of landscape art based on a previous design	LO: To explain the big story of the bible giving examples of bible characters and stories that exemplify different parts of the big story. LO: To identify the impact that believing in Jesus will have on a Christian's life and give examples of the impact LO: To understand some of the Christian beliefs about the death of Jesus as a sacrifice.	<u>Gymnastics</u> LO: To develop flexibility, strength, technique, control and balance. LO: To compare their performances with previous ones and demonstrate improvement to achieve their personal best.  <u>Invasion Games</u> Tag Rugby	<u>Online Safety - 5.1 We are Year 5 rule writers - Reviewing and editing our online safety rules</u> LO: To consider safety scenarios encountered in Year 4 (both at school and at home) and appreciate how these new experiences can be used to update their online safety rules. LO: To consider what new strategies they can apply to online safety scenarios, such as clicking the CEOP 'Report abuse' button. LO: To review and edit their online safety guidelines.

W7	LO: To use the idea of the Earth's rotation to explain day and night, and the apparent movement of the sun across the sky.	LO: To describe and understand human geography including types of settlement and land use, economic activity including trade links, and the distribution of natural resources including energy, food, minerals and water.	LO: To be able to evaluate a finished piece of artwork and describe what you think and feel about it.	LO: To explain the big story of the bible giving examples of bible characters and stories that exemplify different parts of the big story. LO: To identify the impact that believing in Jesus will have on a Christian's life and give examples of the impact LO: To understand some of the Christian beliefs about the death of Jesus as a sacrifice.	<u>Gymnastics</u> LO: To develop flexibility, strength, technique, control and balance. LO: To compare their performances with previous ones and demonstrate improvement to achieve their personal best.  <u>Invasion Games</u> Tag Rugby	LO: To develop their online safety rules so they are easily understood and appropriate for Year 5 pupils.  LO: To consider safety scenarios encountered in Year 4 (both at school and at home) and appreciate how these new experiences can be used to update their online safety rules. LO: To consider what new strategies they can apply to online safety scenarios, such as clicking the CEOP 'Report abuse' button. LO: To review and edit their online safety guidelines. LO: To develop their online safety rules so they are easily understood and appropriate for Year 5 pupils.
W1	<u>Living things and their habitats</u> LO: To describe the differences in the life cycles of a mammal, an amphibian, an insect and a bird. LO: To describe the life process of reproduction in some plants and animals.	<u>History - The Benin Kingdom (introduction and timeline).</u> LO: To develop a chronologically secure knowledge and understanding of world history, establishing clear narratives within and across the periods they study.	<u>What a Performance</u> LO: To learn about the roles and purposes of artists, craftsmen and designers working in different cultures and times.	<u>2.19 What does it mean to be a Muslim?</u> LO: To describe and explain the significance of the 5 pillars of Islam. LO: To explain the key beliefs of Muslims and how these affect the way Muslims choose to behave individually.	<u>Dance</u> LO: To perform dances using a range of movement patterns.  <u>Invasion Games- Basketball</u> LO: To play competitive games and apply basic principle for attacking and defending.  <u>Invasion Games</u> Hockey	<u>5.2 We are Cryptographers</u> LO: To become familiar with semaphore and Morse code. LO: To understand the need for private information to be encrypted. LO: To encrypt and decrypt messages in simple ciphers. LO: To appreciate the need to use complex passwords and to keep them secure. LO: To have some understanding of how encryption.
	LO: To describe the differences in the life cycles of a mammal, an amphibian, an insect and a bird. LO: To describe the life process of reproduction in some plants and animals.	LO: To develop a chronologically secure knowledge and understanding of world history, establishing clear narratives within and across the periods they study.	LO: To learn about different tactile and visual elements and how these can be combined and organised for different purposes	LO: To explain and reflect on the significance of the religious expression and beliefs shown through worship, prayer, fasting, festival and pilgrimage. LO: To describe and explain the key functions of the Mosque, comparing them to another place of worship the	<u>Dance</u> LO: To perform dances using a range of movement patterns.  <u>Invasion Games</u> Hockey  <u>Invasion Games- Basketball</u> LO: To play competitive	LO: To become familiar with semaphore and Morse code. LO: To understand the need for private information to be encrypted. LO: To encrypt and decrypt messages in simple ciphers. LO: To appreciate the need to use complex passwords and to keep them secure.
