

Hilldene Primary School

Primary Sports Funding – Impact Statement 2018-19

Summary of Spending in 2018 -19

At Hilldene Primary School we have always been committed to providing children with excellent sporting provision. With the added funding from the Primary Support Premium, we aim to build on this further, ensuring that each child experiences the benefits. Combining the additional funding with our annual budget allowance for PE, enables us to:

- Continue to develop staff expertise in teaching PE through providing additional training and professional development and covering classes to enable teachers to do this.
- Continue to provide quality coaches for teaching PE lessons across KS1 and KS2.
- Increase participation in sport through the provision of additional clubs.
- Increase participation in local and district competitions and tournaments through membership of the local schools PE cluster group.
- Purchase additional PE resources.
